

IMPORTANT NOTICE - Change in Procedure:

In an effort to better maintain the lettuce/salad mixtures at the proper temperature, we will now be sending it out in bags along with an empty pan to be used for service.

- 1. Please take the temperature of the lettuce/salad mix upon its arrival.**
- 2. Prior to serving, pour the lettuce into the provided pan and spread the tomatoes evenly on top of the salad mix.**

Thank you for your help in protecting our Senior Citizens.
