

When Are **Gloves**, **Hair Nets**, and **Aprons** Needed?

They **ARE** required when:

- ✓ Touching unwrapped food.
(Example: Serving bread, tossed salad, or fresh fruit; cutting cake, pie or cornbread)
- ✓ Touching the food contact surface of plates, lids, and cups.
(Example: Thumb inside plate when serving food; touching lids)

They are **NOT** required when:

- × Passing out milk, juice, wrapped snack cakes, and items in wax bags.
- × Passing out condiments and utensil packages.
