Take Advantage of Our Benefits Counseling Program!

Our agency offers a single, one-stop-shop entry system to assist seniors, people with disabilities, their families, and their caregivers to learn about long-term care services and support. These services include transition assistance, free tax aid, legal aid, prescription assistance, and more. To learn more, visit our [website](#) or call 1-800-AGE-LINE today.

Medicare Open Enrollment Events!

Our agency will host enrollment assistance fairs to help Medicare recipients compare prescription drug plans in the following counties: Calhoun, Chambers, Cherokee, Cleburne, Clay, Coosa, Etowah, Randolph, Talladega, and Tallapoosa. Volunteers will guide them through the selection process and help them with information on the cost of each plan. People interested in getting a plan comparison will be assisted on a first-come, first-serve basis. For more information visit our [website](#).
